Re: Appreciation for GSA Schedule Proposal Support

Dear Ms. Fairchild,

I wish to convey my sincerest gratitude to Global Services, Inc. for the professional support and advice which your company and your Account Manager, Mr. Jody Franklin, provided to us throughout the development of our GSA proposal.

Mr. Franklin was very knowledgeable in all phases of the process. We greatly appreciated his consistent professionalism, responsiveness and patience. Mr. Franklin's attention to detail and quality, were no doubt, key factors in Clancy Environmental Consultants' GSA proposal being processed on a fast track, following submission. Everything was in order for the GSA Contracting Officer and there were no issues during the review process.

We were very fortunate that our GSA Schedule was approved so expeditiously; it enabled us to pursue a solicitation we had targeted for several months, within weeks of being awarded our GSA Environmental Schedule.

Global Services came highly recommended to us by a partner company and we are pleased that we followed through on the recommendation. We will in turn recommend Global Services, Inc. to other companies interested in pursuing their GSA Schedule. Thank you for your exceptional customer service.

Sincerely,

A handwritten signature in black ink that reads "J Clancy". The signature is fluid and cursive, with the first letter of "Clancy" being particularly large and stylized.

Jennifer Clancy, Ph.D.
President
