Ms. Fairchild,

Metters Industries, Inc. is hereby extending our sincere thanks for the professionalism and outstanding support provided by Global Services to Metters over the past several years in assisting us with the submission and successful award of three GSA Schedules as well as support to Metters on another major GWAC contract award.

Your staff provided us with step by step instructions and the information required from our staff to make the proposal process as seamless and effortless as possible.

Our sincere thanks for a job well done!

Sincerely,

Harold L. Robinson
